# **Savitribai Phule School Website Award 2022**

**Welcomes you to**

## **Our Vision**

**Changing the World ...  
Changing Knowledge!**

**Organized By: Savitribai Phule Education Project**

## **Award Theme**

### **Sharing or Transfer Information**

Savitribai Phule was the first woman teacher in India.

She was an educator, writer, social worker.

At that time education was very much needed  
and now the system of education needs to change.

So we are organizing this competition to promote  
Digital Education System

## **Award Concept**

The main purpose of organizing this competition is to provide interconnecting link among students, parents and government. And it will enable in providing transparency about educational details and another motive to organize this competition is to give a platform to other school to present their skills and creative ideas. Because one idea can improve the entire educational system. Here is your chance to stand out from your competitors and win the recognition you deserve while receiving valuable independent feedback on your development efforts. To encourage and promote excellence in online education in India with an aim to achieve enhance, bring more transparency to the marketplace and identify quality educational services. Our aim is to promote the concept of quality education through highest standards. The selected projects are models of excellence that serve as an inspiration for others to improve education through innovation and creative action.
